Max number of people	Capacity							
up to 5,000 people or 50% capacity (≤10,000 people), depending on which is smaller	For no loud talking 100%	For loud talking 50%						

Request for **Prefectural Residents** 【All Regions of Miyagi】

Refrain from outings, follow thorough prevention measures, etc.

10/1-10/31 (**Rebound Prevention Period**)

- Reduce the number of outings to crowded locations as much as possible and when conducting necessary outings or travels, travel only in small numbers with family members or friends you interact with regularly if possible. Thoroughly implement basic infection prevention measures such as wearing masks and sanitizing hands. Avoid the 'three Cs' (closed spaces, crowded places, and close-contact settings) and the '5 situations'* as well as crowded places and times. Refrain from non-essential travel to and from the prefecture.
- Refrain from food and drink establishments that do not implement thorough infection prevention measures (with the exception of delivery/take out) Refrain from group dining or events that involve alcohol with large number of people over extended period of time. Wear a mask when conversing and be careful even if not drinking alcohol.
- Please comply with infection prevention measures implemented by food and drink establishments.
- Refrain from engaging in **high-risk activities** such as drinking alcohol in groups on sidewalks or in parks, etc.
- Follow basic infection prevention measures **regardless of whether you have had the vaccine or not.**
- If you feel even slightly unwell, please contact health services and avoid outings as well as contact with others.

*The 5 situations thought to carry the highest risk of transmission: 1. Social gatherings where alcohol is provided 2. Eating and drinking in large groups for an extended period of time. 3. Conversing without masks. 4. Communal living in small spaces. 5. Not staying in one place.
